

VESTIGE
SON VELL

*A symbol of Menorcan elegance
and beauty*

INTRODUCTION

Welcome to Vestige Son Vell, an original and strikingly beautiful 18th-century manor house set in quiet harmony alongside a clutch of sensitively renovated farm buildings and contemporary one-storey garden suites.

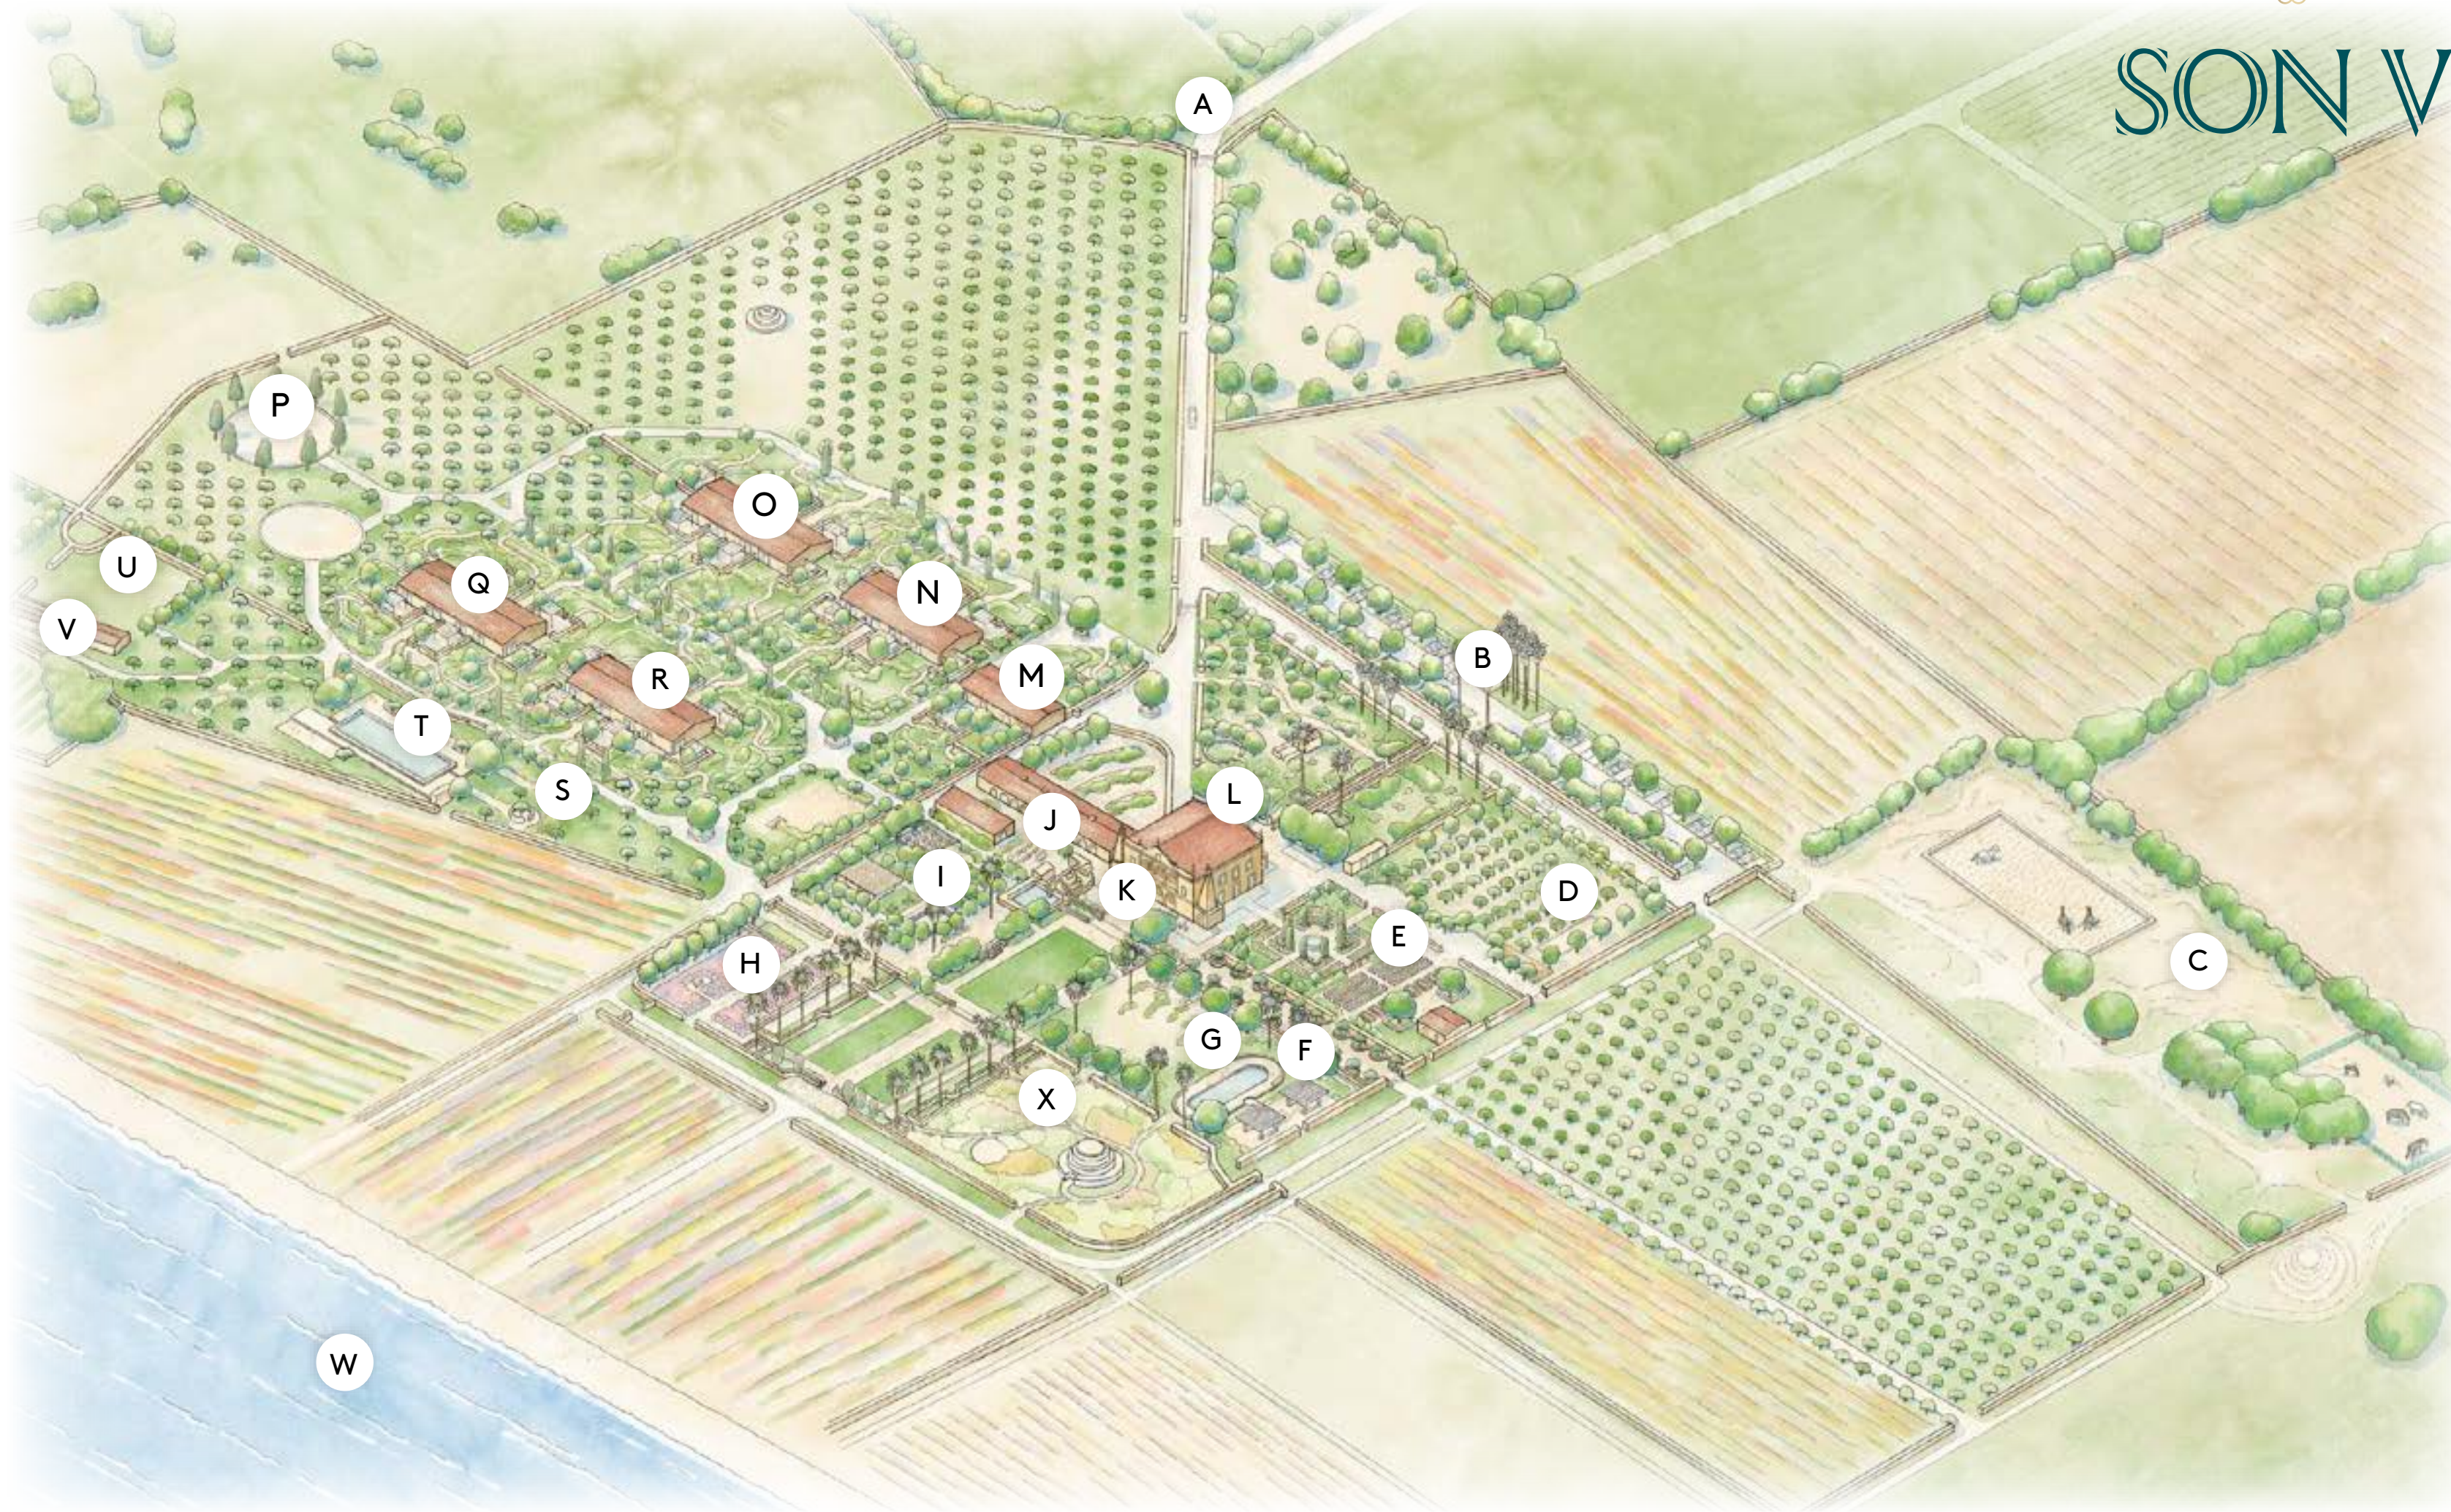

Offering 34 stunning guest bedrooms, each suite and room has been designed for you to unwind in sophisticated seclusion amidst peaceful landscaped gardens. Add to this a warm and natural welcome from our team for a truly cosseting and spoiling stay.

Located twenty minutes from the picturesque port city of Ciutadella and set in rippling Menorcan countryside, the hotel is a ten-minute stroll from Cala Son Vell, a hidden cove on the sunlit Balearic coast, and the centuries-old Camí de Cavalls.

In the foreground, a rugged, rocky coastline meets the sea, with a small bay or inlet. The sky is clear and blue. The word 'MENORCA' is overlaid in large white letters on the left side of the image.

MENORCA

Menorca, the easternmost Balearic island, is the mellower cousin of Mallorca and Ibiza, with dreamy sun-splashed shores of white and golden sand, charming whitewashed villages and rippling hills and fields alive with an air of rural bliss.

Our stunning location is only a short distance from some of the island's most ravishing beaches, with easy access to the ancient Camí de Cavalls for hiking, horseback-riding and mountain-biking along the entire coast, and only 20-minutes' drive from the picturesque port city of Ciutadella.

Nestled in a rural 180 hectare estate with livestock grazing on fertile fields plus a working farm, the hotel is positioned within a verdant seven hectare enclave of landscaped gardens, citrus trees, olive groves, a rose garden and an organic vegetable garden that feeds the kitchen.

Your time will be well spent floating in the original 18th-century swimming pool or enjoying early morning laps in the new, larger pool, both with poolside bars offering cooling drinks and light-bites to be enjoyed as you stretch out on our custom-made Balinese beds.

The hotel also features two dining options focused on fresh, local produce cooked to perfection: Sa Clarisa for relaxed daytime dining and Vermell for evening à la carte choices. Indoors find an elegant bar where expert mixologists will shake and stir your cocktails to perfection.

We offer an array of experiences and activities at Son Vell and across the island, sign up for awe-inspiring star gazing and alfresco yoga, coastal boat trips and exhilarating horseback rides.

RESTORATION

The meticulous and delicate restoration process undertaken at Son Vell has preserved much of the marés sandstone, original wood, traditional lime and crafted clay features of the 18th-century manor house and its farm buildings. To complement the original materials we have designed and commissioned bespoke furniture throughout the hotel.

Using high-quality architectural restoration methods, we undertook a delicate and detailed renovation process to bring these remarkable buildings back to life. During the work, our architects and artisans uncovered two original lime kiln chimneys that are now impressive features within the bar and lounge area.

We're proud that Vestige Collection is a family-owned business focussed on creating an authentic link to the past that can be enjoyed and cherished today, and in the future, by our guests. This regeneration work is undertaken with due reverence, allowing you to live the experience of each building's timeless beauty and enduring history, whilst indulging in deep comfort and refined luxury.

ROOMS
& SUITES

Choose from 34 stunning suites and bedrooms including six elegant, light-filled rooms within the manor house and 28 garden suites located in the peace and tranquility of the renovated outbuildings and harmonious contemporary buildings.

We've married antique furniture with contemporary art and sculptures and each room is subtly decorated to blend with the rich history of the buildings and surrounding land. The manor house suites are made for gazing across the unspoilt countryside and out to the glittering coast, while each garden suite includes a generous outdoor space filled with colourful plants and separate areas for sunbathing and relaxing.

Son Vell's cuisine pays homage to Menorcan traditions, hyper-fresh ingredients and artisan producers while shining a light on refreshing contemporary recipes and techniques. Our flavourful menus include a variety of delicious dishes using quality ingredients from the surrounding land and sea. We offer two dining options: pull up a chair at Sa Clarisa - indoors or outside in the dappled shade - for relaxed daytime dining which becomes Vermell, once the sun has set, for your à la carte evening choices. For a laid-back lunchtime dining option, choose from the poolside menu and eat under the shade of our Balinese beds.
